14:25 -  
15:00

Reading - [Oxford Owl](#)

Use this time to read with an adult/sibling, or to have a go at retelling one of your favourite stories.

### Phonics

I will direct you to whether your child is on set 1 or set 2 sounds. There will be a new video each day, staying on for 24 hours. Videos will become available at 9:30am. Please also watch the Red Words video as the repetition each day is great for helping children remember these words.

All the set 2 YouTube videos are now repeats but feel free to still watch these if you like. I have attached a PowerPoint for you to use if you are doing set 2, this may be easier as you can do it at your own pace and it also includes alien words.

### Maths

National Oak follows the Maths Mastery scheme which we also use in school, meaning the lessons are extremely similar to those we would usually teach.

This week we are continuing with Numbers within 15. This includes one more/fewer, problem solving and ordering numbers. Please take pictures of the work the children have done and upload them to Purple Mash.

### Literacy

Monday- Today we are making salt dough dinosaur bones. Here is the recipe I used- <https://www.messarounduk.com/northamptonshire/blog/how-to-make-salt-dough-dinosaur-bones/>. Once they are dry, feel free to paint them and bury them somewhere for the children to dig!

Tuesday- This is the chance for children to find out information on their favourite dinosaur! One of the Reception goals is for them to be able to retrieve information from non-fiction texts which is what we're working on today. Either use books or the internet.

Wednesday- Our naughty dinosaur has been up to no good, so it's time we wrote some rules for him. Watch my Loom video showing you what to do, then write your own rules and upload to purple mash. Between 2 and 3 rules is fine.

### PE

Everything linked is FREE

## Reception Timetable- WC 25/01/21

This week we are looking at the train theme for PE. Click EYFS/KS1 and then click the picture of the train. Work your way through the sections. On the games section, this week's game is Puffing Along. You only need to play one game as we will be doing the other games in the following weeks.
