**Everything linked is FREE**

					(this finishes the book so we can start a new one Monday)
14:25 - 15:00	Reading - <a href="#">Oxford Owl</a> Use this time to read with an adult/sibling, or to have a go at retelling one of your favourite stories.				

### Phonics

I will direct you to whether you child is on set 1 or set 2 sounds. There will be a new video each day, staying on for 24 hours. Videos will become available at 9:30am. Set 2 videos are available but the PowerPoints attached may be more beneficial.

### Maths

National Oak follows the Maths Mastery scheme which we also use in school, meaning the lessons are extremely similar to those we would usually teach. This week we are starting grouping and sharing. Resources will have been sent to you on a previous email and are available on the National Oak website under 'worksheets'.

### Literacy

Monday- We are learning all about where dinosaurs lived, the 3 different periods and which dinosaurs lived there.

Tuesday- We will be writing some sentences about a stimulus picture today. If you are doing set 1 phonics have a go at writing some key words and have a go at a sentence if you think you can! If you're doing set 2, have a go at writing a couple of sentences using full stops and finger spaces.

Wednesday- We are focusing on our communication and language skills today. Please listen to the story and answer the questions.

### PE

This week we are looking at the train theme for PE. Click EYFS/KS1 and then click the picture of the train. Work your way through the sections. On the games section, this week's game is **Tandem Trains**. You only need to play one game as we will be doing the other games in the following weeks.

Continuous Provision ideas-

Everything linked is FREE

**FINE MOTOR COUNTING**

**DINOSAUR TRACKS**  
a quick, fun and easy painting activity

**Ethansaurus!!**  
Kaitlynsaurus!!
