It's good to talk

History — Communication then and now

This term we will be building a sense of chronology and finding out about how communication has changed over the years from beginning of man to present and thinking ahead to the future. We will be exploring the different ways communication and technology has changed to enable the way we communicate.

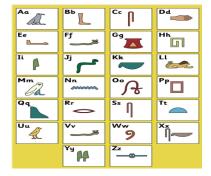

Scan this QR code to learn some more information about one of the famous inventors and scientists that we will be learning about this term!

The telephone has changed a lot over time, talk to your adults and ask them what do they remember about the telephone and how it has changed!

Can you write your name using one of the earliest forms of communication by the Ancient Egyptians?
